THE STATE OF MAGAZINES IS _ _ _ STICKY 43 MINUTES PER ISSUE STICKY.

Media continue to proliferate _ _ _ Attention Spans continue to shrink, and Free content is available everywhere, From the internet to the inside of elevators and beyond billboards.

Why then are 93% of American adults still so attached to attached to magazines? Why do so many people young and old spend so much time with the medium that's Paper and Ink, a medium you actually have to pay for in order to read?

In a word "Engagement" reading a magazine remains a uniquely intimate immersive experience. Not only is magazine readership up, readers spend an average of 43 minutes per issue, further those 43 minutes of attention! Are typically undivided among all media - digital of analog.

Magazine readers are least likely to engage in another activity while reading (Advertisers Take Note).
