## "How an underemployed printer from Portland, Oregon developed a systematic method anyone can use to write a 120 page bestselling book in 48 hours... EVEN IF YOU'VE NEVER WRITTEN ANYTHING BEFORE!"

Copyright 2013 Dwight S Allen

As a teenager, growing up in Bremerton, Washington, I was frustrated by the total lack of part time jobs for teens. Sure. I helped out in my Dad's struggling neighborhood pharmacy. But, after the new Rexall pharmacy went in across town, Dad could hardly ever afford to actually pay me.

So, the meager pennies I could scavenge mowing lawns was the best I could hope for.

Until... I learned that Reader's Digest was paying \$25 to \$200 for jokes and funny stories. "WOW!" That sure sounded like a fortune to me.

I began writing jokes. I would stay up into the wee hours trying to think up something funny to write about. Then, I banged them out on an old portable typewriter and mailed them off. I'd invested countless hours and written hundreds of jokes, helpful hints, and "not that funny" stories, before I made my first sales.. a joke to American Legion magazine for \$10.

"Boy!" I thought I had it made.

But it was nearly a year before I sold another.

I finally gave up my hobby, graduated from community college with a degree in offset printing, and ran off and got married.

A year later, with 3 mouths to feed, I turned back to my writing to supplement my puny printer's salary. If I could just write a book and sell it, I could get the extra money I needed to feed my family

So... in the evenings, I set aside an hour or two every night to work on my book idea. It took me two full years to complete it.

And, once published, the book did make a little extra money, making life a lot easier.

Unfortunately, my wife developed a chronic medical condition, and my son was diagnosed with asthma and a vision problem. I needed to write another book to get more money coming in. Right now!

I searched through the library for books on writing, research, and speed reading, hoping to discover a way to speed up the writing process. I needed an idea right now.

Over a period of weeks, I finally "cracked the code." The method I discovered actually enables anyone, even if they've never written before, to write a 120 page book in as little as 48 hours.

Once I discovered this secret, my first thought was to just keep it to myself.

**But, this is too good not to share!!**

So, I put it all in a 3,000 word report. detailing exactly how it works. anyone can use this system to become an author within days.

I probably could be charging \$100 or more for this system, as a full size book or course. But instead, I stripped it down to the bare bones. so YOU CAN GET YOUR COPY FOR JUST \$9.99 postpaid.

Only a limited number of copies have been printed, so to get your copy of **HOW TO WRITE A 120 PAGE BOOK IN 48 HOURS OR LESS**, just send \$9.99 (in any form, cash, check, or money order) to:
