15 Years of Suffering from Leg Cramps GONE!

"Dear Grace - Started the product (**LONGEVITY** Formula) to begin slowing down my aging so as to have much happier senior years Nov 28. After the first week I noticed my "Leg Cramps" had disappeared... they are gone! There used to be many times I'd have to get up in the middle of the night and go sit in the bathroom with great pain to get there and just sit there till my leg pain/cramps had gone. This disrupted my sleep for many nights over the last 10 to 15 years. Even when I would be getting my socks on, the cramps would sneak upon me... NOT ANY MORE!

Henry Bergen, 72 years old Canada
